Licensed Commissary Sharing Agreement

Temporary Food Establishments (TFE's) and mobile food units using a commissary under different ownership, must submit this form with their Temporary Food Establishment Permit Application yearly or obtain a Temporary Food Establishment Commissary (TFEC) Permit. TFE's with high risk food preparation are required to have an individual TFEC Permit. A copy of a valid IL. Food Service Sanitation Manager's Certificate must also be submitted for vendors with a high or medium risk permit. For Temporary Food Establishments located out of county, comparable documentation will be required with the approval of their respective local Health Department.

An approved licensed kitchen/commissary is a fundamental part of a TFE operation. Requirements may vary depending on the menu, food preparation activities, and layout of the food booth. Indicate which of the following items will be available for use at the commissary:

- Handwashing Sink(s) ¹
- Dish Washing Facility ²
- Food Preparation Sink ³
- Mop Sink ⁴
- Commercial Refrigeration Space
- Preparation Table
- Freezer Space
- Cooking Equipment

1 Approved hand sinks are required in all food preparation areas and dish washing areas.
 2 Dish washing facility must be one of the following: manual (3 or 4 compartment utensil wash sink) or mechanical (chemical or high temperature sanitizing dish machine).
 3 A commercial food preparation sink is required if commissary is lacking a commercial 3 or 4 compartment sink.
 4 A mop sink is required for all commissaries.

- TFE or mobile food unit operator must have access to the kitchen if hours of the TFE operation exceed hours of the Food Establishment.
- TFE or mobile food unit operator is responsible for correcting health code violations on their own equipment as well as shared equipment and facilities.
- TFE or mobile food unit operator shall notify Winnebago County Health Department if there are any changes to this agreement. This agreement is not transferable.
